

## ADVANCED INVESTIGATION SKILLS™

This three-day investigation and interviewing skills course is an advanced course designed specifically for specialist investigators or those who undertake investigations on a full-time basis.

TCM's highly experienced tutors give delegates an overview of the investigation process with emphasis placed on advanced interviewing skills, developing complex terms of reference, accessing hard to reach evidence, legal and policy considerations, and the development of a coherent investigation report which will withstand internal and external scrutiny. The skills are particularly suitable for conducting complex investigations such as health and safety incidents, accident investigation, harassment, discrimination, bullying and fraud.

The course must be tailored to meet the unique needs, objectives, and context of your organisation. Therefore, it is only available for in-house delivery to groups of 3 or more.

## BENEFITS OF ATTENDING

Your organisation will have access to highly trained workplace investigators who can assist you to make an evidence-based, fair and objective decision about how to resolve a workplace issue. This may include decisions to apply a disciplinary sanction up to and including the decision to dismiss.

**TCM Accredited:** Delegates who complete this course and pass the assessment are able to refer to themselves as TCM Accredited Investigators.

**All delegates will receive:** The TCM Investigator Handbook™, which includes copies of the following templates, can be adapted for use within the delegates' organisations:

- ✓ Workplace investigation protocol.
- ✓ Letters to various parties within an investigation.
- ✓ A robust final report template.
